STUDENTS FEEDBACK ON ACADEMIC CURRICULUM

Year & Semester	II yr - I Sem	Section	
Academic Year	2029-20	Department	Civil Engineering

1.4.1: FEEDBACK ANALYSIS OF STUDENT FEEDBACK

Give appropriate marks that shows your feeling about the faculty on respective dimensions.

Please Note: 5= Excellent 4= Very Good 3= Good 2= Average 1= Bad/Poor

S.NO	Questionnaire	SUB-1	SUB-2	SUB-3	SUB-4	SUB-5	SUB-6
		SG	EG	SEM-I	P&S	FM	COF
1	Punctuality & Regularity	3.2	3.0	3.9	3.6	4.0	3.5
2	Subject Knowledge & Coverage of Syllabus	3.1	3.0	4.0	3.6	3.9	3.6
3	Control of Classes	2.9	4.0	3.2	3.9	3.5	3.0
4	Communication Skills	3.0	4.2	3.5	4.0	3.0	2.9
5	Use of Practical Examples	4.0	4.5	3.0	4.5	4.0	2.8
6	Readiness & Ability to clear the doubts of the students	4.2	3.9	4.1	4.0	4.0	3.0
7	Method of Teaching & overall Confidence of Teaching	4.5	4.2	3.0	3.9	4.1	3.0
8	Guidance & Motivation of Students	3.3	3.5	4.0	2.8	4.5	4.0
9	Interaction, Helpful Attitude (Inside & Outside the College)	3.0	3.7	3.9	3.0	3.9	3.5
10	Question Bank Supplies / Handouts / Ref Material	3.2	3.9	3.5	4.0	3.8	3.2
Average feedback		3.44	3.29	3.61	3.23	3.87	2.69
For Lab Courses only		Survey lab	SEM lab	EG lab			
11	I was provided with adequate orientation and guidance for proceeding with laboratory activities	3.9	4.0	4.5			
12	The instructor (s) was (were) helpful in assisting with problems and difficulties in the lab	4.0	3.5	4.0			
13	Space & facilities were adequate for required activities of the lab	4.0	3.2	3.5			
14	Instructor provided material required for the lab.	4.0	4.5	4.2			
Average feedback		3.97	3.8	4.05

Feedback from Visiting / Internal Faculty

Name of the Faculty: Mahabub Ansari, Designation: Asst. Prof, Department: Civil Engg, Parent Organization: KLEA, Address: Chepur Armoor, Mobile No: _____, E-Mail: _____.

Note: Your valuable opinions and suggestions are solicited for further improvements of curriculum. Against each statement a five point scale is given. The five points are (SA- Strongly Agree(4), ALE- Agree to Large Extent(3), A- Agree(2), ASE: Agree to Some Extent(1), D- Disagree(0))

S.No	Questionnaire	Grade
1.	Board of studies is taking care to ensure the current and relevant aspects of the program offered vis-à-vis industrial and social needs.	4
2.	Employability is given adequate weightage in curriculum design and development.	4
3.	The curriculum facilitates faculty to inculcate / foster creativity and innovation in students.	4
4.	The curriculum facilitates students to obtain liberal and holistic education.	4
5.	The curriculum has adequate practical component that facilitates student to gain experimental learning and explore	3
6.	Adequate care is taken in the design of curriculum to facilitate problem based learning.	4
7.	Stakeholders are given enough freedom to contribute their ideas on curriculum design and development.	4
8.	The system followed by the college for the design and development of curriculum is effective.	4
9.	The curriculum has been updated from time to time.	4
10.	Representatives from business and industry in board of studies ensured curriculum addresses needs of industry and are helpful in designing and improving the courses.	4

Suggestions for improvement in curriculum design and development:

COLLEGE ACADEMIC COMMITTEE

Date: 29-08-2020

Minutes of Meeting

A Meeting Was held in Board Room on 28/08/2020 to discuss the following points.

1. The academic activities for the present academic year were planned by discussing with the HODS.
2. Also suggested to the members to monitor and follow-up the students with poor performance
3. Faculties are suggested to implement new teaching methods that create interest among students.
4. Time tables of each class and years.
5. Annual day, Tech fest and sports fest
6. All HODs should plan field visits, Internships, Add on Programs, FDPs for the academic year.

Following members attended the meeting:

S. No.	Name of the faculty	Designation	Signature
1	Prof. Dr. Rajasekharaiah.K.M	Principal	
2	Mr. Bandari Narendar	A.O	
3	Mrs. N Deepika	CIV HOD	
4	Mr. M Subhash	EEE HOD	
5	Mr. B Venu Gopal	MECH HOD	
6	Mr. D Srikar	ECE HOD	
7	Mr. M Laxman	CSE HOD	
8	Dr. M Sudhakar	MBA HOD	
9	Ms. V Sathyavathi Swapna	BS&H HOD

ACTION TAKEN ON FEEDBACK FROM STAKEHOLDERS (2020-21)

Action to be taken on the various feedback reports collected from stakeholders from time to time along with suggestions on the same.

1. Suggestions made in student's feedback:

Students requested for more practical sessions. They requested to conduct seminars on job oriented courses, training for facing interviews during campus selection. They also requested to provide career guidance and expert talks by industrialists. Awareness among every student especially research scholars to publish articles may be created.

Action Taken on Students feedback report:

Various workshops and seminars were held to introduce new technical aspects which are useful to students for industry ready. The HODs and faculty were suggested for including more classes for practicals in the Timetables. Students were allotted a few hours in the weekly curriculum to improve their physical and mental fitness.

2. Suggestions made by Alumni:

Alumni suggested that they need more focus on soft skill training. Alumni have suggested that the institute should focus on improving communication skills, personality development, self-motivation, career building, confidence and good mentoring. More internship facilities are made available to students for better industrial exposure.

Action Taken on Alumni feedback report:

The Institute has conducted different workshops and guest lecturers regarding career building, self motivation and for improving the communication skills of the students. Necessary help was given to interested students to carry out internships various organizations.

KSHATRIYA COLLEGE OF ENGINEERING

(Affiliated to JNTU Hyderabad & Approved by AICTE)

3. Suggestions made by Teacher's:

The need for more practical sessions was stressed by the teachers to enhance the employability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories.

Teachers emphasized the need for conducting more internship during summer vacations so that students get a firsthand experience of the needs of the industry during their course period and get themselves ready in their fields of interest.

Action Taken on Teacher's feedback report:

More practical courses were included in the curriculum based on the feedback of the teachers. The quality of the existing practical courses was updated by introducing latest versions in the syllabus. Internships were made compulsory for all students during summer vacations to give them a taste of industry requirements during their course period. This also enabled them to assess their standing in the industry and improve their potential with respect to their field of interest

4. Suggestions made by Employers:

The Employers were of the opinion that students should develop their self thinking capabilities and should be initiative in team work. Students need to be aware of industry exposure.

Recruiters suggested that the students are being strong in their aptitude skills, as it is the first level of the interview process.

Action Taken on Employer feedback report:

The soft skill training focused more on participative games and teambuilding, invited resource persons from industries were made to address the students. Intensive training on aptitude training was planned for the next academic year.

COLLEGE ACADEMIC COMMITTEE

Date: 04/07/2018

CIRCULAR

This is to inform all the members of college academic committee that a meeting is scheduled in Board Room on 06/07/2018 at 11:00 am, to discuss the following points.

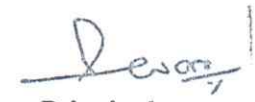

AGENDA:

1. The committee its rules & responsibilities.
2. Preparing college Academic Calendar (activities to be planned).
3. Teaching-learning process and monitoring.
4. Stake holder's feedback analysis.
5. Any other activities and issues to be discussed.

Copy to:

1. Principal
2. A.O.
3. All HOD's
4. IQAC
5. Director Administration
6. All college academic committee members.

COLLEGE ACADEMIC COMMITTEE

Date: 07-07-2018

Minutes of Meeting

A Meeting Was held in Board Room on 06/07/2018 to discuss the following points.

1. The academic activities for the present academic year were planned by discussing with the HODS.
2. Also suggested to the members to monitor and follow-up the students with poor performance
3. Faculties are suggested to implement new teaching methods that create interest among students.
4. Time tables of each class and years.
5. Annual day, Tech fest and sports fest
6. All HODs should plan field visits, Internships, Add on Programs, FDPs for the academic year.

Following members attended the meeting:

S. No.	Name of the faculty	Designation	Signature
1	Dr. Parameswar Chiluveru	Principal	
2	Mr. Bandari Narendar	A.O

ACTION TAKEN ON FEEDBACK FROM STAKEHOLDERS (2018-19)

Action to be taken on the various feedback reports collected from stakeholders from time to time along with suggestions on the same.

1. Suggestions made in student's feedback:

Students requested for more practical sessions. They requested to conduct seminars on job oriented courses, training for facing interviews during campus selection. They also requested to provide career guidance and expert talks by industrialists. Awareness among every student especially research scholars to publish articles may be created.

Action Taken on Students feedback report:

Various workshops and seminars were held to introduce new technical aspects which are useful to students for industry ready. The HODs and faculty were suggested for including more classes for practicals in the Timetables. Students were allotted a few hours in the weekly curriculum to improve their physical and mental fitness.

2. Suggestions made by Alumni:

Alumni suggested that they need more focus on soft skill training. Alumni have suggested that the institute should focus on improving communication skills, personality development, self-motivation, career building, confidence and good mentoring. More internship facilities be made available to students for better industrial exposure.

Action Taken on Alumni feedback report:

The Institute has conducted different workshops and guest lecturers regarding career building, self motivation and for improving the communication skills of the students. Necessary help was given to interested students to carry out internships various organizations.

KSHATRIYA COLLEGE OF ENGINEERING

(Affiliated to JNTU Hyderabad & Approved by AICTE)

3. Suggestions made by Teacher's:

The need for more practical sessions was stressed by the teachers to enhance the employability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories.

Teachers emphasized the need for conducting more internships during summer vacations so that students get a firsthand experience of the needs of the industry during their course period and get themselves ready in their fields of interest.

Action Taken on Teacher's feedback report:

More practical courses were included in the curriculum based on the feedback of the teachers. The quality of the existing practical courses was updated by introducing latest versions in the syllabus. Internships were made compulsory for all students during summer vacations to give them a taste of industry requirements during their course period. This also enabled them to assess their standing in the industry and improve their potential with respect to their field of interest

4. Suggestions made by Employers:

The Employers were of the opinion that students should develop their self thinking capabilities and should be initiative in team work. Students need to be aware of industry exposure.

Recruiters suggested that the students are be strong in their aptitude skills, as it is the first level of the interview process.

Action Taken on Employer feedback report:

The soft skill training focused more on participative games and teambuilding, invited resource persons from industries were made to address the students. Intensive training on aptitude training was planned for the next academic year.

ACTION TAKEN ON FEEDBACK FROM STAKEHOLDERS (2019-20)

Action to be taken on the various feedback reports collected from stakeholders from time to time along with suggestions on the same.

1. Suggestions made in student's feedback:

Students requested for more practical sessions. They requested to conduct seminars on job oriented courses, training for facing interviews during campus selection. They also requested to provide career guidance and expert talks by industrialists. Awareness among every student especially research scholars to publish articles may be created.

Action Taken on Students feedback report:

Various workshops and seminars were held to introduce new technical aspects which are useful to students for industry ready. The HODs and faculty were suggested for including more classes for practicals in the Timetables. Students were allotted a few hours in the weekly curriculum to improve their physical and mental fitness.

2. Suggestions made by Alumni:

Alumni suggested that they need more focus on soft skill training. Alumni have suggested that the institute should focus on improving communication skills, personality development, self-motivation, career building, confidence and good mentoring. More internship facilities be made available to students for better industrial exposure.

Action Taken on Alumni feedback report:

The Institute has conducted different workshops and guest lecturers regarding career building, self motivation and for improving the communication skills of the students. Necessary help was given to interested students to carry out internships various organizations.

3. Suggestions made by Teacher's:

The need for more practical sessions was stressed by the teachers to enhance the employability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories.

Teachers emphasized the need for conducting more internship during summer vacations so that students get a firsthand experience of the needs of the industry during their course period and get themselves ready in their fields of interest.

Action Taken on Teacher's feedback report:

More practical courses were included in the curriculum based on the feedback of the teachers. The quality of the existing practical courses was updated by introducing latest versions in the syllabus. Internships were made compulsory for all students during summer vacations to give them a taste of industry requirements during their course period. This also enabled them to assess their standing in the industry and improve their potential with respect to their field of interest

4. Suggestions made by Employers:

The Employers were of the opinion that students should develop their self thinking capabilities and should be initiative in team work. Students need to be aware of industry exposure.

Recruiters suggested that the students are be strong in their aptitude skills, as it is the first level of the interview process.

Action Taken on Employer feedback report:

The soft skill training focused more on participative games and teambuilding, invited resource persons from industries were made to address the students.

Intensive training on aptitude training was planned for the next academic year.

COLLEGE ACADEMIC COMMITTEE

Date: 06-09-2021

Minutes of Meeting

A Meeting was held in Board Room on 03/09/2021 to discuss the following points.

1. The academic activities for the present academic year were planned by discussing with the HODS.
2. Also suggested to the members to monitor and follow-up the students with poor performance
3. Faculties are suggested to implement new teaching methods that create interest among students.
4. Time tables of each class and years.
5. Annual day, Tech fest and sports fest
6. All HODs should plan field visits, Internships, Add on Programs, FDPs for the academic year.

Following members attended the meeting:

COLLEGE ACADEMIC COMMITTEE

Date: 06-09-2021

Minutes of Meeting

A Meeting was held in Board Room on 03/09/2021 to discuss the following points.

1. The academic activities for the present academic year were planned by discussing with the HODS.
2. Also suggested to the members to monitor and follow-up the students with poor performance
3. Faculties are suggested to implement new teaching methods that create interest among students.
4. Time tables of each class and years.
5. Annual day, Tech fest and sports fest
6. All HODs should plan field visits, Internships, Add on Programs, FDPs for the academic year.

Following members attended the meeting:

ACTION TAKEN ON FEEDBACK FROM STAKEHOLDERS (2021-22)

Action to be taken on the various feedback reports collected from stakeholders from time to time along with suggestions on the same.

1. Suggestions made in student's feedback:

Students requested for more practical sessions. They requested to conduct seminars on job oriented courses, training for facing interviews during campus selection. They also requested to provide career guidance and expert talks by industrialists. Awareness among every student especially research scholars to publish articles may be created.

Action Taken on Students feedback report:

Various workshops and seminars were held to introduce new technical aspects which are useful to students for industry ready. The HODs and faculty were suggested for including more classes for practicals in the Timetables. Students were allotted a few hours in the weekly curriculum to improve their physical and mental fitness.

2. Suggestions made by Alumni:

Alumni suggested that they need more focus on soft skill training. Alumni have suggested that the institute should focus on improving communication skills, personality development, self-motivation, career building, confidence and good mentoring. More internship facilities are made available to students for better industrial exposure.

Action Taken on Alumni feedback report:

The Institute has conducted different workshops and guest lecturers regarding career building, self motivation and for improving the communication skills of the students. Necessary help was given to interested students to carry out internships various organizations.

KSHATRIYA COLLEGE OF ENGINEERING

(Affiliated to JNTU Hyderabad & Approved by AICTE)

3. Suggestions made by Teacher's:

The need for more practical sessions was stressed by the teachers to enhance the employability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories.

Teachers emphasized the need for conducting more internship during summer vacations so that students get a firsthand experience of the needs of the industry during their course period and get themselves ready in their fields of interest.

Action Taken on Teacher's feedback report:

More practical courses were included in the curriculum based on the feedback of the teachers. The quality of the existing practical courses was updated by introducing latest versions in the syllabus. Internships were made compulsory for all students during summer vacations to give them a taste of industry requirements during their course period. This also enabled them to assess their standing in the industry and improve their potential with respect to their field of interest

4. Suggestions made by Employers:

The Employers were of the opinion that students should develop their self thinking capabilities and should be initiative in team work. Students need to be aware of industry exposure.

Recruiters suggested that the students are being strong in their aptitude skills, as it is the first level of the interview process.

Action Taken on Employer feedback report:

The soft skill training focused more on participative games and teambuilding, invited resource persons from industries were made to address the students. Intensive training on aptitude training was planned for the next academic year.

ACTION TAKEN ON FEEDBACK FROM STAKEHOLDERS (2022-23)

Action to be taken on the various feedback reports collected from stakeholders from time to time along with suggestions on the same.

1. Suggestions made in student's feedback:

Students requested for more practical sessions. They requested to conduct seminars on job oriented courses, training for facing interviews during campus selection. They also requested to provide career guidance and expert talks by industrialists. Awareness among every student especially research scholars to publish articles may be created.

Action Taken on Students feedback report:

Various workshops and seminars were held to introduce new technical aspects which are useful to students for industry ready. The HODs and faculty were suggested for including more classes for practicals in the Timetables. Students were allotted a few hours in the weekly curriculum to improve their physical and mental fitness.

2. Suggestions made by Alumni:

Alumni suggested that they need more focus on soft skill training. Alumni have suggested that the institute should focus on improving communication skills, personality development, self-motivation, career building, confidence and good mentoring. More internship facilities are made available to students for better industrial exposure.

Action Taken on Alumni feedback report:

The Institute has conducted different workshops and guest lecturers regarding career building, self motivation and for improving the communication skills of the students. Necessary help was given to interested students to carry out internships various organizations.

3. Suggestions made by Teacher's:

The need for more practical sessions was stressed by the teachers to enhance the employability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories.

Teachers emphasized the need for conducting more internship during summer vacations so that students get a firsthand experience of the needs of the industry during their course period and get themselves ready in their fields of interest.

Action Taken on Teacher's feedback report:

More practical courses were included in the curriculum based on the feedback of the teachers. The quality of the existing practical courses was updated by introducing latest versions in the syllabus. Internships were made compulsory for all students during summer vacations to give them a taste of industry requirements during their course period. This also enabled them to assess their standing in the industry and improve their potential with respect to their field of interest

4. Suggestions made by Employers:

The Employers were of the opinion that students should develop their self thinking capabilities and should be initiative in team work. Students need to be aware of industry exposure.

Recruiters suggested that the students are being strong in their aptitude skills, as it is the first level of the interview process.

Action Taken on Employer feedback report:

The soft skill training focused more on participative games and teambuilding, invited resource persons from industries were made to address the students. Intensive training on aptitude training was planned for the next academic year.

Feedback from Visiting / Internal Faculty

Name of the Faculty: Sunil Gatadi, Designation: Asst prof, Department: BS 4A, Parent Organization: Kshatriya College of Engineering, Address: Chepur, Armoor, Nizamabad, Mobile No: 9440356116, E-Mail: sunilgatadi116@gmail.com

Note: Your valuable opinions and suggestions are solicited for further improvements of curriculum. Against each statement a five point scale is given. The five points are (SA- Strongly Agree(4), ALE- Agree to Large Extent(3), A- Agree(2), ASE: Agree to Some Extent(1), D- Disagree(0))

S.No	Questionnaire	Grade
1.	Board of studies is taking care to ensure the current and relevant aspects of the program offered vis-à-vis industrial and social needs.	04
2.	Employability is given adequate weightage in curriculum design and development.	04
3.	The curriculum facilitates faculty to inculcate / foster creativity and innovation in students.	03
4.	The curriculum facilitates students to obtain liberal and nolicistic education.	04
5.	The curriculum has adequate practical component that facilitates student to gain experimental learning and explore	04
6.	Adequate care is taken in the design of curriculum to facilitate problem based learning.	03
7.	Stakeholders are given enough freedom to contribute their ideas on curriculum design and development.	04
8.	The system followed by the college for the design and development of curriculum is effective.	04
9.	The curriculum has been updated from time to time.	03
10.	Representatives from business and industry in board of studies ensured curriculum addresses needs of industry and are helpful in designing and improving the courses.	04

Suggestions for improvement in curriculum design and development:

Everything is absolutely fine. still there is change of some improvements.

ACTION TAKEN ON FEEDBACK FROM STAKEHOLDERS (2022-23)

Action to be taken on the various feedback reports collected from stakeholders from time to time along with suggestions on the same.

1. Suggestions made in student's feedback:

Students requested for more practical sessions. They requested to conduct seminars on job oriented courses, training for facing interviews during campus selection. They also requested to provide career guidance and expert talks by industrialists. Awareness among every student especially research scholars to publish articles may be created.

Action Taken on Students feedback report:

Various workshops and seminars were held to introduce new technical aspects which are useful to students for industry ready. The HODs and faculty were suggested for including more classes for practicals in the Timetables. Students were allotted a few hours in the weekly curriculum to improve their physical and mental fitness.

2. Suggestions made by Alumni:

Alumni suggested that they need more focus on soft skill training. Alumni have suggested that the institute should focus on improving communication skills, personality development, self-motivation, career building, confidence and good mentoring. More internship facilities are made available to students for better industrial exposure.

Action Taken on Alumni feedback report:

The Institute has conducted different workshops and guest lecturers regarding career building, self motivation and for improving the communication skills of the students. Necessary help was given to interested students to carry out internships various organizations.

KSHATRIYA COLLEGE OF ENGINEERING

(Affiliated to JNTU Hyderabad & Approved by AICTE)

3. Suggestions made by Teacher's:

The need for more practical sessions was stressed by the teachers to enhance the employability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories.

Teachers emphasized the need for conducting more internship during summer vacations so that students get a firsthand experience of the needs of the industry during their course period and get themselves ready in their fields of interest.

Action Taken on Teacher's feedback report:

More practical courses were included in the curriculum based on the feedback of the teachers. The quality of the existing practical courses was updated by introducing latest versions in the syllabus. Internships were made compulsory for all students during summer vacations to give them a taste of industry requirements during their course period. This also enabled them to assess their standing in the industry and improve their potential with respect to their field of interest

4. Suggestions made by Employers:

The Employers were of the opinion that students should develop their self thinking capabilities and should be initiative in team work. Students need to be aware of industry exposure.

Recruiters suggested that the students are being strong in their aptitude skills, as it is the first level of the interview process.

Action Taken on Employer feedback report:

The soft skill training focused more on participative games and teambuilding, invited resource persons from industries were made to address the students. Intensive training on aptitude training was planned for the next academic year.
